

# THE LUNG GAME

Let's blow some oxygen into our lungs

## You will need

A straw

Few little balls of plasticine  
or little balls of crumple paper

## What to do

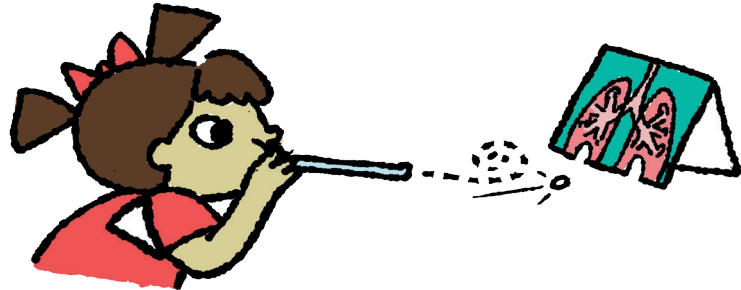

Cut out the holes at the  
bottom of this page and fold  
your paper in half.

Stand the sheet up on a table  
(tape it to the table or place a  
book behind it).

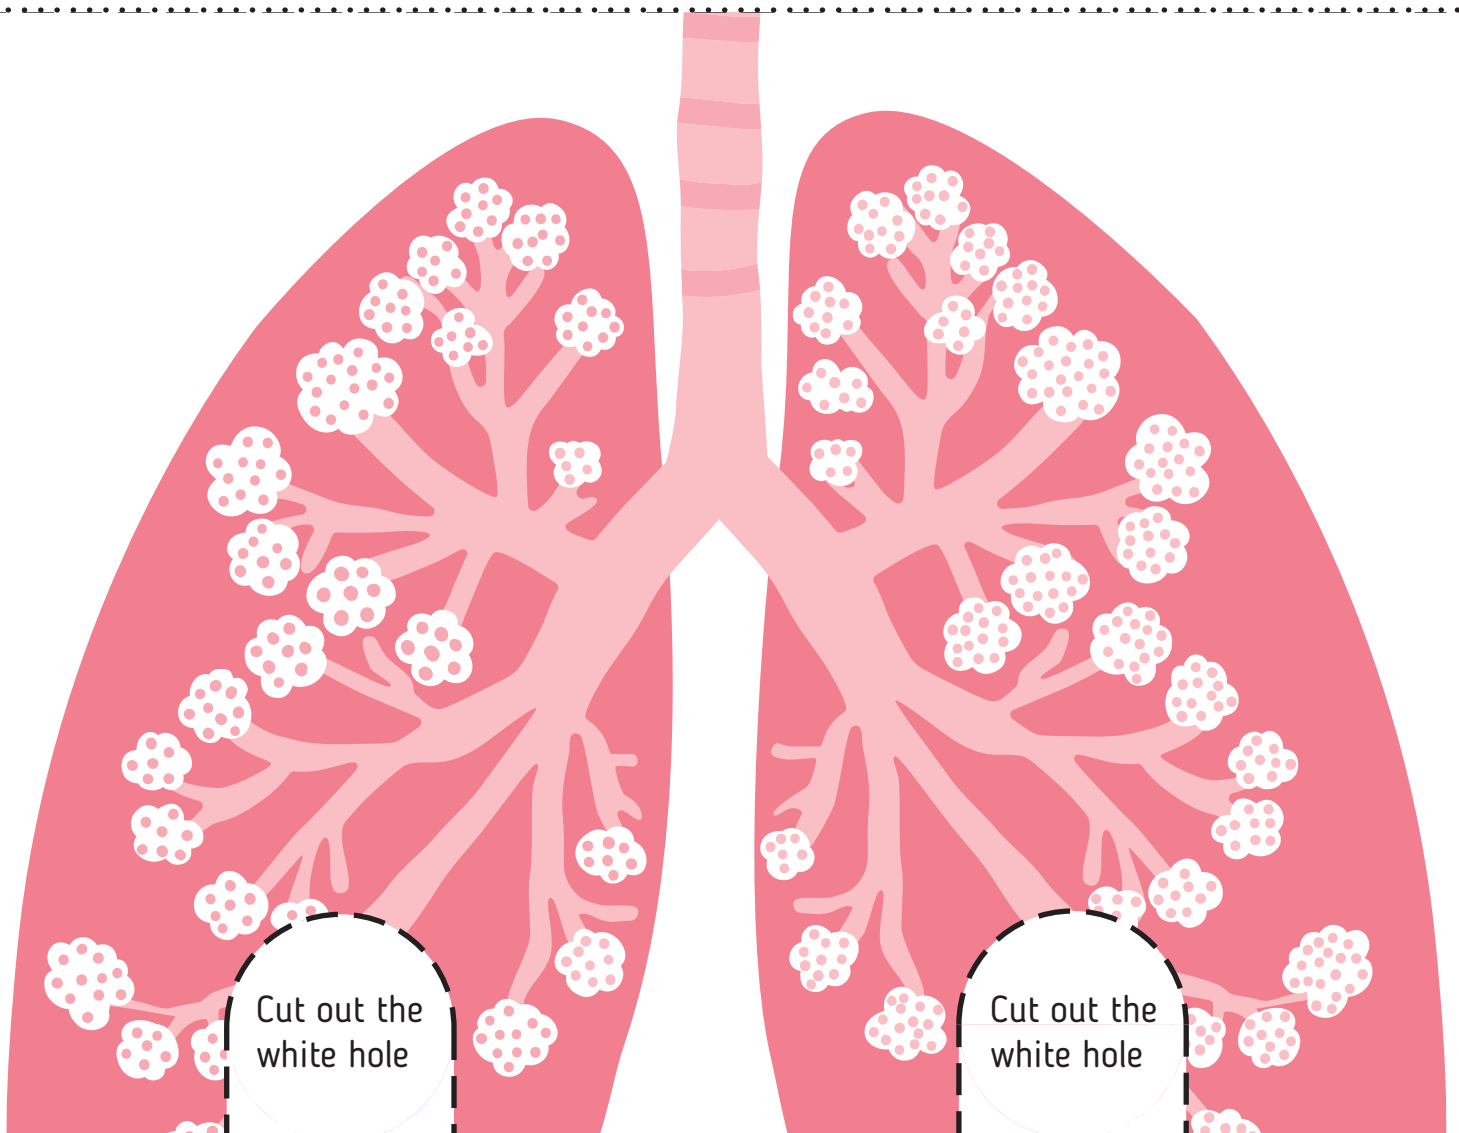

## How to play

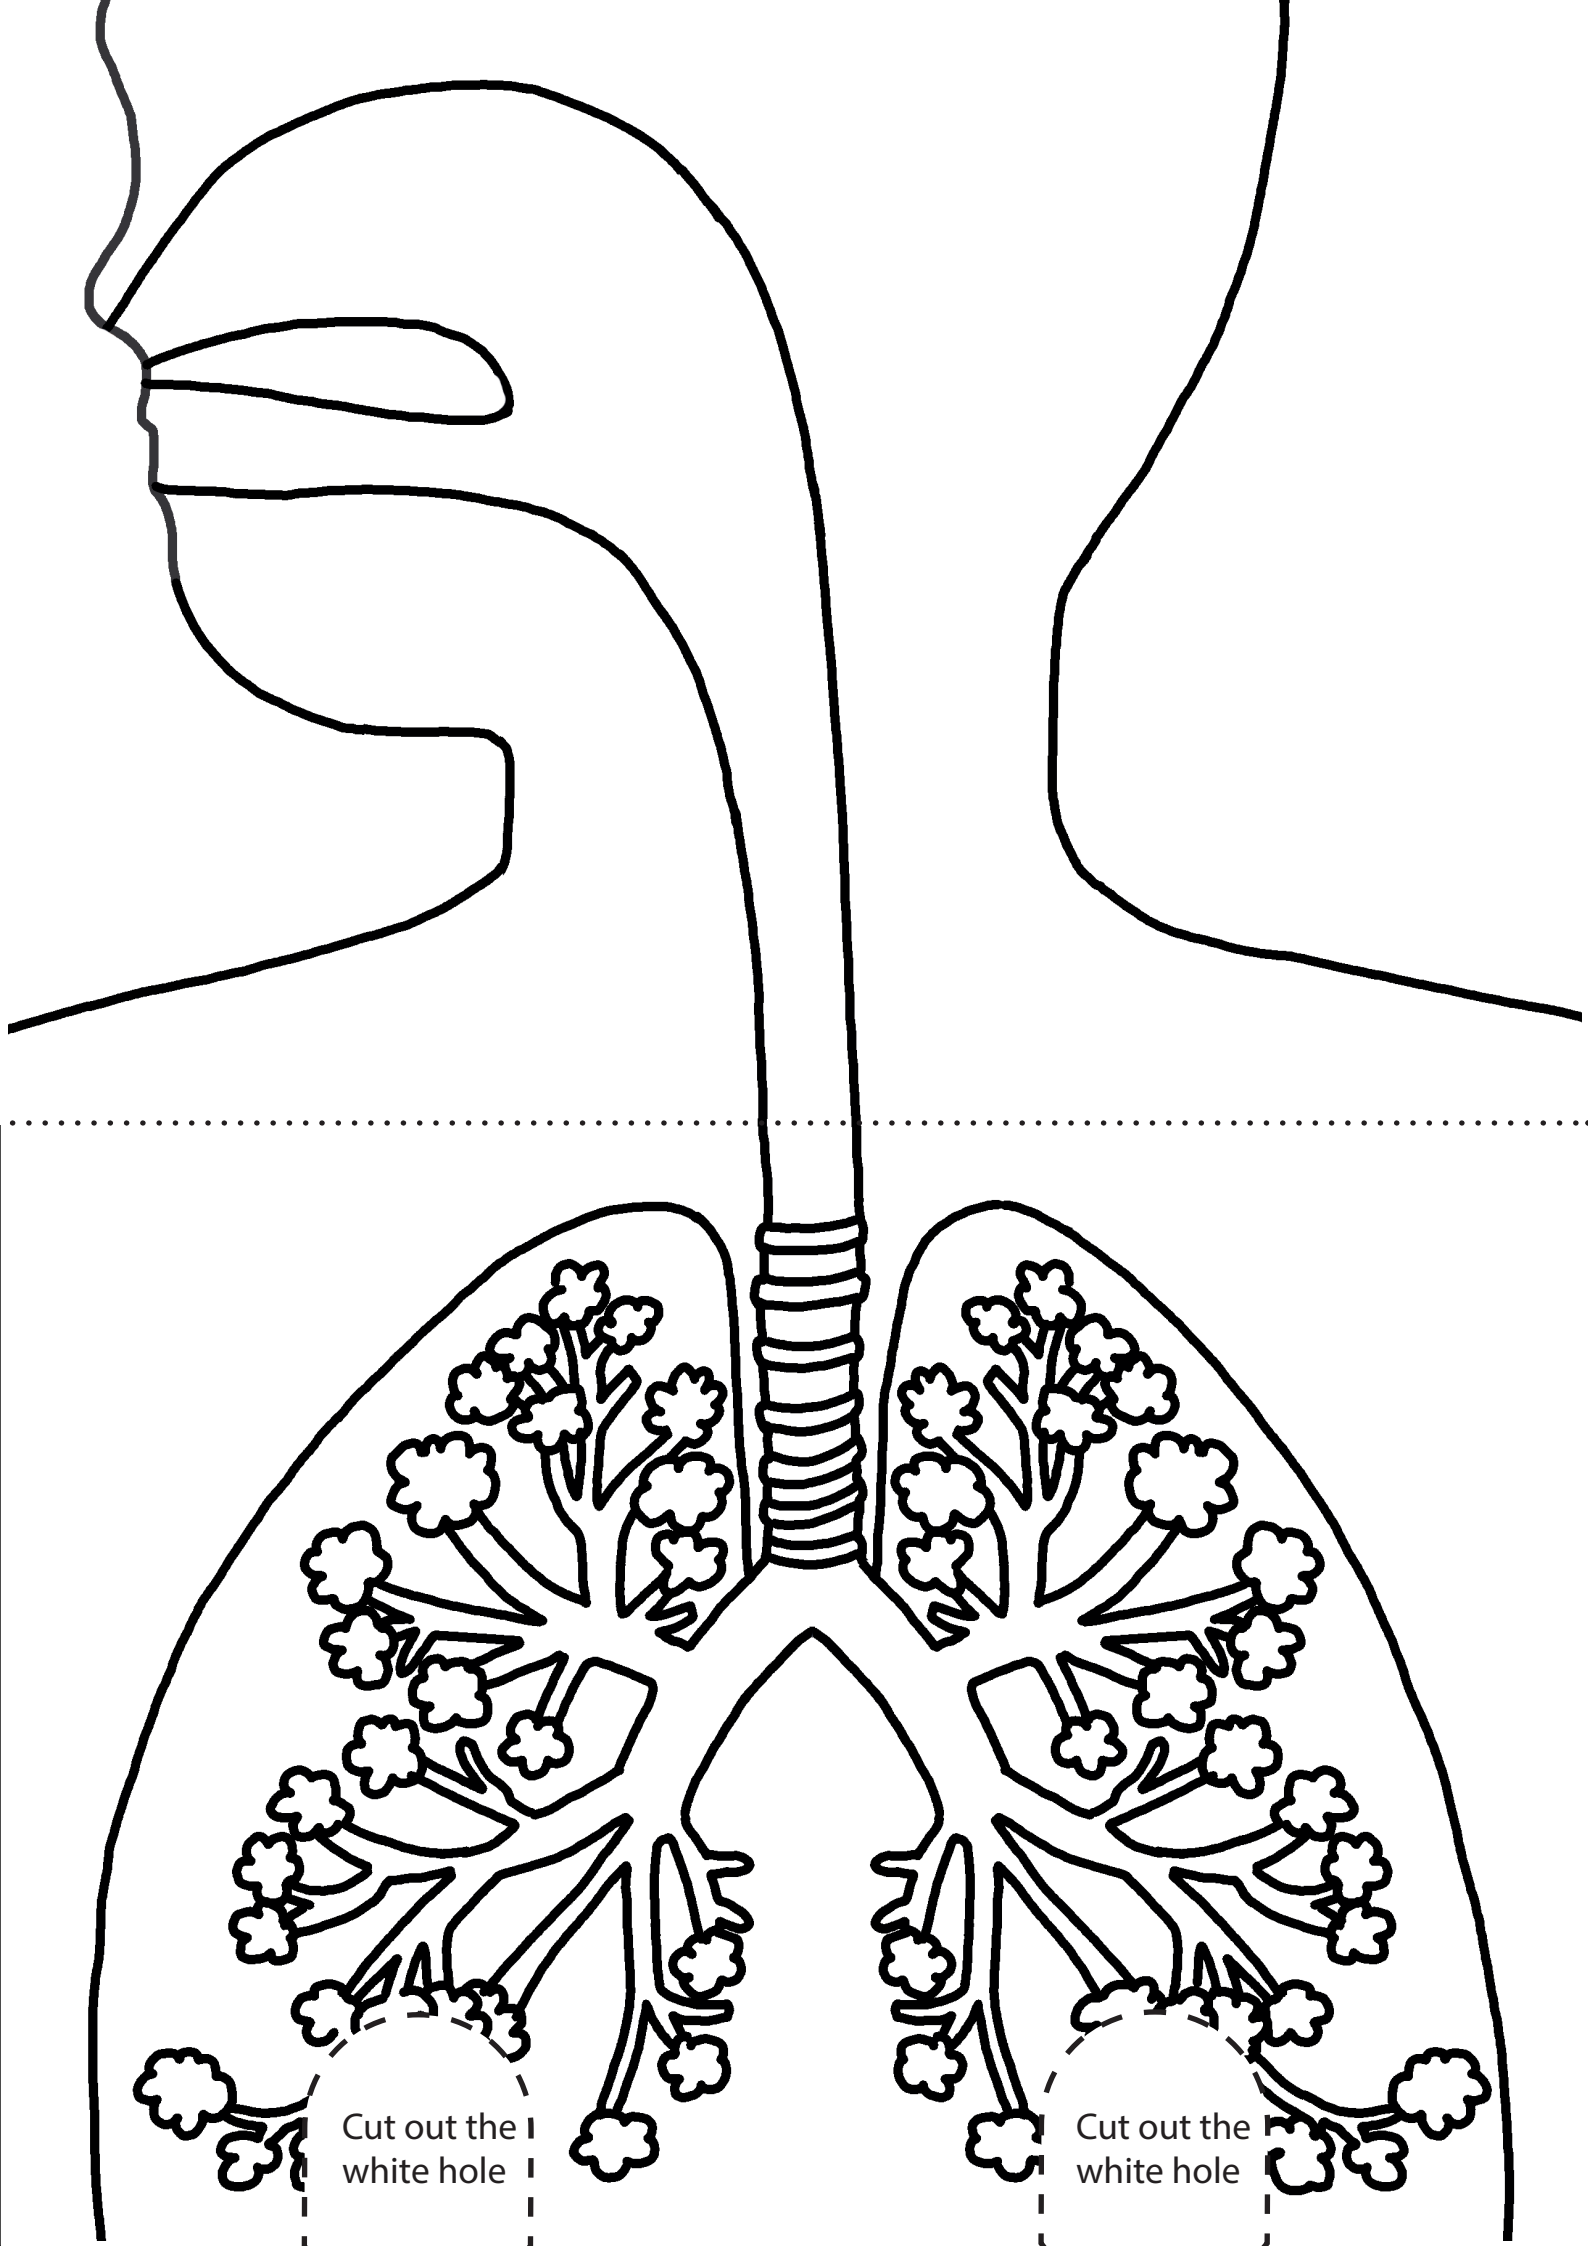

Place a little ball of paper  
and with a straw, blow  
the ball in the lungs.

If two players, prepare 5  
little balls each and race  
to blow them in the lungs  
one by one.

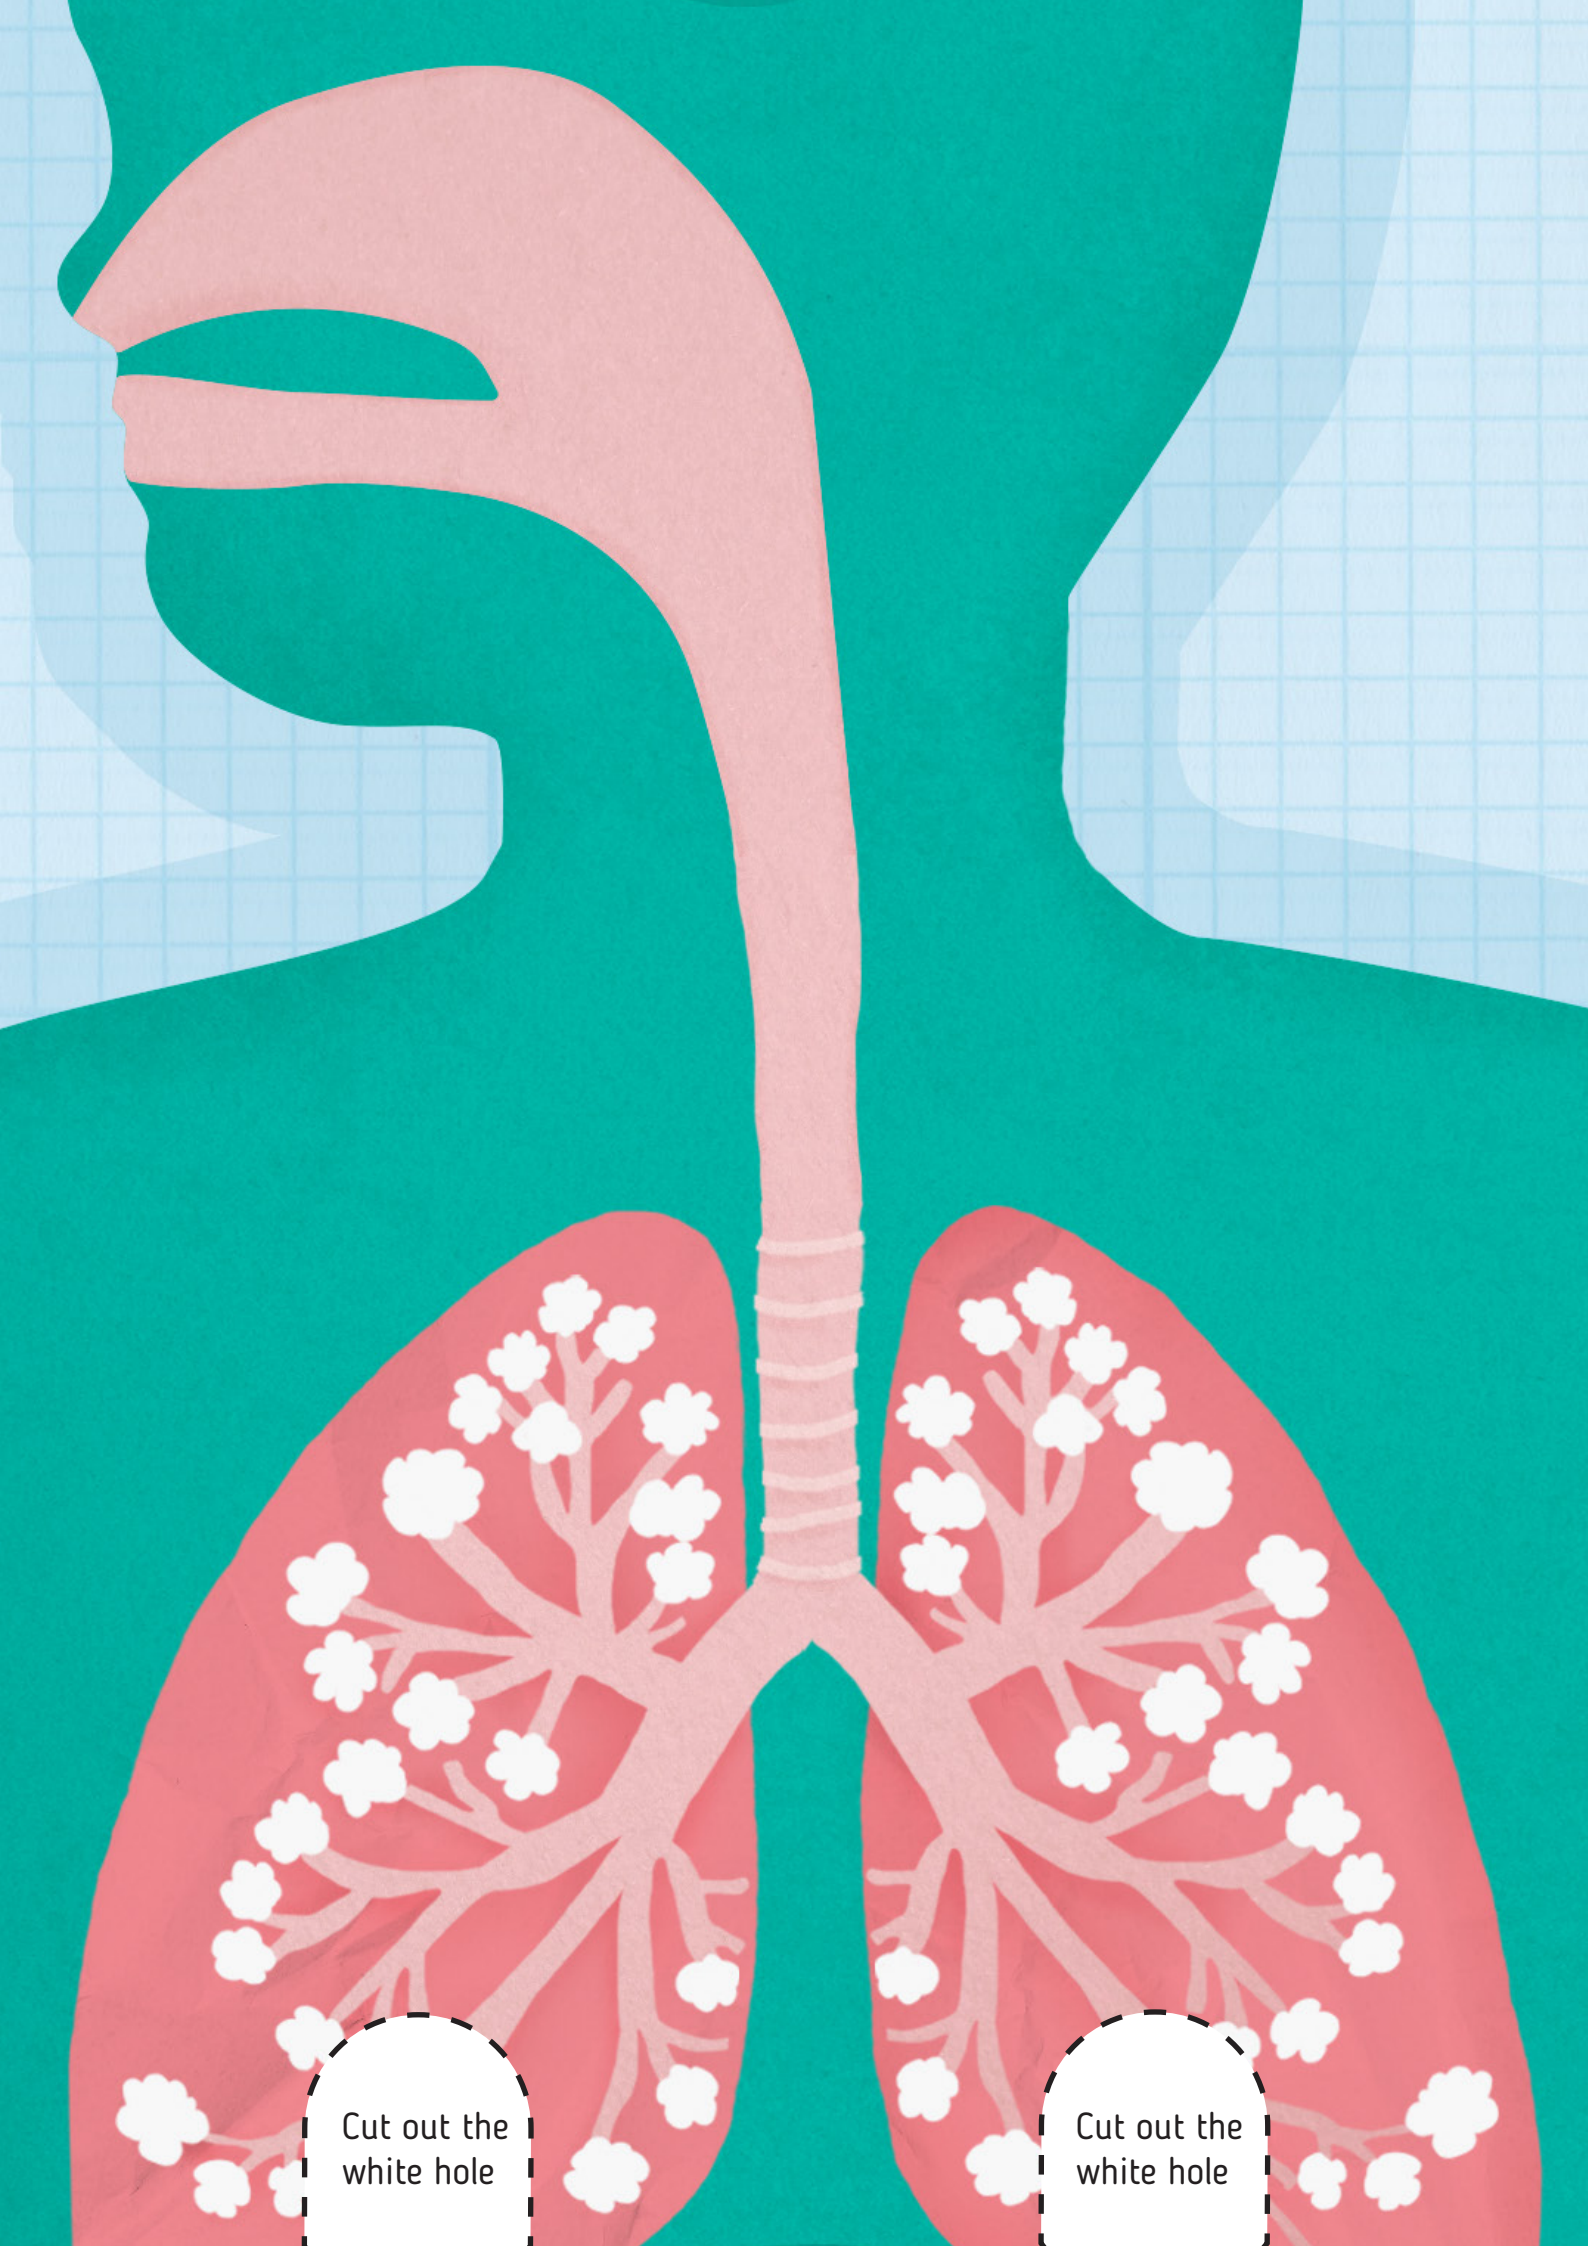

First to have all their  
oxygen balls in the lungs  
wins
