Top Tip

When you're finished playing with your windmill you can plant it in your garden or in your plant pots as a decoration!

Safety Warning!

Ensure that the drawing pin is well secured and the sharp end is covered.

Science

Blowing is a skill that we have to learn, just like walking and talking. We learn to blow raspberries, blow out birthday candles, blow our noses, blow bubbles and eventually we have strong enough blowing muscles and big enough lungs to blow up balloons!
